

Health Workforce Initiative Webinar of the Month: January 2018

This webinar is provided to you by the Health Workforce Initiative. It includes ANCC contact hours and can be accessed with your email address and subscription code: **hwihwi**

Male Health: *Nursing Care for the Y Chromosome*

Webinar Link: nursetim.com/webinars/Male_Health

Why don't men seek regular healthcare? This presentation will explore this question while identifying the most prevalent diseases experienced by the male population. Nursing considerations for nursing care of male patients will also be presented.

OBJECTIVES

- Examine the healthcare process from the male perspective.
- Describe the most prevalent men's health-related topics
- Explore why men don't seek healthcare.

PRESENTERS

Brent MacWilliams, PhD, MSN, RN, APNP, ANP-BC: Brent is an Associate Professor with 12 years of leadership experience in the clinical and academic settings. He has served as a Board member on two non-profits and currently President for the American Association for Men in Nursing. Brent co-authored the Wisconsin Diversity Assessment Tool (WI-DAT), an evidence-based tool that can be used to assess and monitor the status of diversity and inclusion in nursing.

Jason Mott, PhD, RN, CNE: Dr. Mott is an assistant professor of nursing at the University of Wisconsin Oshkosh. His interests include gender inclusion in nursing as well as civility in nursing. He has publications related to faculty to student incivility and experiences of male nursing faculty. He currently serves as the national secretary of the American Association of Men in Nursing (AAMN).

Submit a Virtual Abstract

Submit a virtual abstract to NurseTim[®] to be shared with faculty and nurses around the nation. If your abstract is selected, you will be interviewed by our team about your topic and we'll develop a 6-8 minute recording that will be cataloged on the NurseTim[®] website for sharing with our community of 20,000+. You will need a highspeed internet connection and a phone connection with good audio. All recordings become property of NurseTim[®], Inc. with no limitations on usage. When you submit a virtual abstract, you retain full rights to the content and simultaneously give NurseTim[®], Inc., affiliates, and clients full-unlimited rights to the content. All recordings become property of NurseTim[®], Inc. with no limitations on usage. There is no compensation for the abstract or recording. By submitting an abstract, you attest that all the content is fully yours and you have not violated copyright or trademark laws in anyway.
