

The Other End of the Stethoscope

An unforgettable tribute to healthcare professionals that provides insight and strategies for excellent patient care

MARCUS ENGEL, M.S., CSP SPEAKS FROM EXPERIENCE

After being blinded and severely injured by a drunk driver, Marcus overcame unimaginable obstacles to reclaim his life.

His inspirational story ignites a passion in professionals in the medical field to provide excellent patient care.

JOIN US IN THIS SESSION TO LEARN HOW TO:

- Apply innovative techniques to treat patient challenges
- Discover the small things that make a big difference in patient care
- Celebrate the healing power of humor
- Balance patient care and personal concern
- Understand the unique issues surrounding trauma and loss
- Honor the commitment and dedication of healthcare professionals
