INSTRUCTIONS

CRIMINAL RECORD CLEARANCE

Upon enrollment in a CDPH-approved training program, the applicant must be fingerprinted through the Live Scan process.

For a list of mandatory convictions (which will result in mandatory denial or revocation of certification) please visit our website at: www.cdph.ca.gov. All convictions are reviewed. If the conviction prevents certification, the applicant will be notified. Applicants will not receive a certificate until they have received a criminal record clearance.

A. CERTIFIED NURSE ASSISTANT (CNA) APPLICANTS

The applicant or training program should submit the following to ATCS upon enrollment and before patient contact:

- This completed application form; **and**
- The second copy of the completed Request for Live Scan Services (BCIA 8016) form.

Provided the above has been submitted to ATCS by the applicant or training program, the nurse assistant may work with proof of successful completion of the competency evaluation while the criminal record review is in progress.

B. HOME HEALTH AIDE (HHA) APPLICANTS

There is no reciprocity granted for HHAs. Applicants must take HHA training from either of the following CDPH-approved training programs:

- 120 hours consisting of at least sixty-five (65) hours of classroom and fifty-five (55) hours of supervised clinical training in basic nursing and home health topics.
- Forty (40) hours supplemental HHA training consisting of twenty (20) hours classroom and twenty (20) hours supervised clinical training in home health topics. (This course is only for individuals who are already CNAs or enrolling in combined [dual] CNA/HHA training programs.)

Upon enrollment in the 120-hour and 40-hour HHA training program, the training program must submit the following to ATCS:

- The second copy of the completed Request for Live Scan Services (BCIA 8016) form (not required for 40-hour program because fingerprints would have previously been sent); **and**
- This completed application form.

C. EQUIVALENCY-TRAINED NURSE ASSISTANT APPLICANTS

If the applicant is presently in (or completed) a Registered Nurse, Licensed Vocational Nurse, or Licensed Psychiatric Technician program or has medical training in military services; or has received the above license(s) from a foreign country or U.S. state, the applicant will not have to take further training and may qualify to take the competency evaluation. Submit the following to ATCS:

- An official, sealed transcript of training (students can substitute the transcript with a sealed letter on official school letterhead listing equivalent training in at least "fundamentals of nursing". The letter must include the completion date(s) of training). If discharged from the military, a copy of the DD-214 can substitute for the original transcript; **and**
- Proof of work providing nursing services, for compensation in the last two (2) years (not required for nursing students or if the college degree was received in the last two (2) years); **and**
- A copy of the completed Request for Live Scan Services (BCIA 8016) form; **and**
- This completed application form.

If eligible, ATCS will send information regarding taking the competency evaluation.

Provided the above has been submitted to ATCS by the applicant or training program, the nurse assistant may work with proof of successful completion of the competency evaluation while the criminal record review is in progress.

D. CNA RECIPROcity APPLICANTS FROM OTHER STATES

If the CNA certification is active and in good standing on another state's registry, the applicant may qualify for certification in the State of California without taking the CNA training or competency evaluation. Submit the following to ATCS:

- A copy of the state-issued certificate; **and**
- Proof of work providing nursing services in the last two (2) years (not required for those who received their initial certificates from another state in the last two (2) years); **and**
- A copy of the completed Request for Live Scan Services (BCIA 8016) form. The applicant must be fingerprinted in the State of California to obtain criminal record clearance through this method; **and**
- A completed Verification of Current Nurse Assistant Certification (CDPH 931) form (to be completed by applicant and submitted by the endorsing state agency); **and**
- This completed application form.
