**T**he High School Student Day is focused on the students enrolled in allied health academies, Adult Education, ROP and general interest in the nursing professions. This day will foster networks with students in nursing education, nursing specialties, mentoring, and professional development. Sessions will include both keynote and breakout sessions geared to students with access to the professional nurses from a variety of professional work environments and specialties. Presenters are both state and national representing various educational institutions, associations and governmental agencies. In addition support the communication of the viability of the nursing profession and demonstrate the increasing contributions being made by men in nursing. Students under the age of 18 will need to have a parent/ guardian agree to your attendance when you register.

**Call Toll Free: 877-999-3223**
