

# Creativity in Clinical Placements - Utilization of On Ground and On Line Experiences

Dr Liz Dietz, EdD, RN, CS-NP

ARC DHS & SAF

Professor Emeritus – SJSU

[drlizrn@aol.com](mailto:drlizrn@aol.com) & [liz.dietz@redcross.org](mailto:liz.dietz@redcross.org)

# Need for Clinical Placements

- **ADN / BSN / MSN / Doctoral**
- **Faculty of Nursing Programs**
- **Students of Nursing Programs**

# Academic Service Learning with the American Red Cross

- **Disaster Cycle Services**
- **Biomedical and Blood Services**
- **Services to Armed Forces**
- **International Services**
- **Preparedness, Health and Safety**
- **Youth Clubs**

# Red Cross Clubs / Nursing Clubs

- 1 **We have a Red Cross Club and a Red Cross Nursing Club on our campus. What should we do?**
- 2 **What about the identity and cohesion as nursing students?**
- 3 **Do nursing students need to do anything differently than other Red Cross Club members?**
- 4 **Are there any special benefits for nursing students to be a Red Cross Club member?**
- 5 **Does the Red Cross offer nursing students specialized or clinical experience?**
