Zoom Webinar: Information provided by email 3 days prior to each event.

This event was produced pursuant to grant from Kaiser Permanente Mental Health and Wellness (MHW) Initiative Strategic Partnership Grant (16040) and hosted by the Health Workforce Initiative (19-156-001) powered by the California Community College Chancellors Office.

OBJECTIVE:

- Increase awareness of behavioral health careers and their related pathways.
- Identify where to locate local educational programs.

Who should attend: Open to high school students, college students, parents, and those interested in learning more about careers in Behavioral/Mental Health.

CLASS REGISTRATION:

High School Teachers interested in registering their class for the symposiums or requesting access to recordings please contact Irene Ornelas at irene.ornelas@canyons.edu
